
Section: 6.10 EMS Guidelines

Effective Date: 09/04/2007

Revision Date: 06/15/2006

Approved by: SMFD Officers 10/25/2006

SCOPE

This guideline applies to all South Metro Fire Department personnel.

PURPOSE

The purpose of this policy is to formalize adoption of published EMS Guidelines to ensure standardized pre-hospital patient care.

POLICY

1. The South Metro Fire Department works under HealthEast Medical Direction and has adopted the Dakota County Area Medical Guidelines as published by HealthEast Care System.
2. Copies of the Medical Guidelines are available to all personnel in the fire stations and in the appropriate fire/EMS apparatus.
3. Personnel will receive regular training to ensure compliance with existing and new Medical Guidelines.
