RE: **Truth in Taxation Meeting Date**

Summary:

Beginning with taxes payable in 2022, fire protection and emergency medical services special taxing districts established under Minnesota Statutes, chapter 144F, must hold an annual truth-in-taxation meeting and be listed on the parcel-specific proposed taxes notice.

The public meeting must be held after November 24th and no later than December 28th. The meeting must be held at 6:00 p.m. or later. The approved date must be forwarded to the County Auditor by September 30th.

Recommendation:

Set the South Metro EMS taxing district meeting date and time for Wednesday December 15, 2021 at 6:00 p.m. This is our regular meeting date.
